The Nursery

Working together to release your child's full potential

Registration Fee and Deposit

We require you to pay a registration fee of £50.00 and a deposit of £100.00 to secure your child's place.

Our registration fee is non-refundable. You will receive a backpack in which to keep your child's spare clothes, bottles and other items, as we do not allow carrier bags on the children's pegs.

The deposit of £100.00 is held until your child leaves the Nursery. Your deposit will be deducted from your final month's fees when your child leaves the Nursery, providing that you have given a full month's notice as per your Parent Contract and your child has been at the Nursery for more than three months.

Please note that if your child does not attend nursery once the place has been accepted, we reserve the right either to enforce the payment of the first month's fee or to retain the deposit. Number 9 The Nursery reserves the right to give one month's notice in writing to any parent, if we would like to terminate the childcare arrangement.

Once you have sent your enquiry, we will be in touch to discuss your requirements and the Nursery's availability. If we are able to offer you a place, you will receive an email with details of our offer and how to pay your registration fee and deposit. **Your child's place at the Nursery is not secured until we have received the payment of this registration fee and deposit.**

Please note: if you are applying for a place to use your Government free-funded hours **only**, you will not be asked to pay a registration fee and deposit. However, you will be required to complete a Parental Declaration Form to confirm you meet the Government free-funded hours requirements.

When we have received your registration fee and deposit payment (or, in the case of those applying for a free-funded only place, your completed Parental Declaration Form), you will then be sent our registration form and we can complete your child's enrolment.

Discounts and Refunds

If a sibling of an existing child joins the Nursery, a discount of 10% will be given on the oldest child's fees. This discount also applies to twins.

No refunds will be given if your child fails to attend any pre-booked days for sickness or holidays. No refunds will be given in the event of the Nursery closing due to factors beyond the Nursery's control.

The Nursery is closed on Bank Holidays, Inset Days and for one week at Christmas. Please be aware that fees are payable for these periods.

Government Funding Free Entitlement

We have a limited number of Free-Funded Only spaces at the Nursery.

The government offer 15 and 30 hours free funding entitlement, which is for 38 weeks of the year. All children become eligible for 15 hours free funding from the term after their 3rd birthday.

The extended 30 hours free funding entitlement must be applied for through the HMRC Childcare choices website and a Parental Declaration form must be completed.

At Number 9 The Nursery we have stretched the government funded 15 hours or 30 hours over the whole year. This is to align the Government's funding proposal to our operating hours, as we do not offer term time-only places.

15 hours funding

Will be given as 11 hours per week, 5.5 hours per day over two days.

30 hours funding

Will be given as 22 hours per week, 5.5 hours per day over four days.

Additional service charges for food and activities do apply where free-funded hours are used.

Changes to your attendance pattern

During the registration process you will be asked to decide on the number of days you wish your child to attend. You will be made an offer of the next available place that matches your requirements.

Once we have received your registration fee and deposit, you will receive confirmation of your child's enrolment. We will be in touch to arrange settling-in sessions closer to their official start date.

Any reduction in your child's confirmed days will only take effect three months from your child's start date, and charges will be due as normal until the reduction takes effect.

Any changes to increase or decrease your days thereafter must be requested with one month's notice in writing to the Nursery Manager, who will check availability. Additional days will be added to your next invoice.

In the event that you wish to increase your days more than six months in advance, you must give three months' notice if you no longer require the day you have booked. If less than three months' notice is given, your deposit will be forfeited and will not be repayable upon your child leaving the Nursery.

If you wish to reduce your days immediately, we reserve the right to continue your normal monthly fee for a period of one month.

Priority for the most popular days is given to children who are booked to attend the Nursery for three days or more per week. Children attending for two days or fewer per week must attend at least one of either a Monday or Friday.

Late Collection Fees

We understand that occasionally situations arise which mean you will be arriving late to collect your child.

Late collection will incur an additional fixed fee of £10.00 for every 10 minutes you are late.

Payment Terms

Our invoices are raised monthly, and we will ensure that all invoices are with you by the 25th of each month. Invoices are payable monthly in advance by the 1st of the following month.

The Nursery is closed on Bank Holidays and for one week at Christmas. Please be aware that fees are payable for these periods.

Please create a standing order or pay via BACS. Please inform the Nursery if you are paying by Childcare Voucher or the Government Tax-Free Childcare Scheme.

If you are unsure of the code for your provider, more information is available on our website: <https://number9thenursery.co.uk/parent-information/>

Payments must be made in full and on time. This includes payments made via Childcare Voucher or the Government Tax-Free Childcare Scheme. Please be aware that these payments can sometimes take up to a week to arrive in our account.

You will be subject to a daily £5.00 late payment charge until your payment is paid in full. Continued late payments may result in the termination of your child's place without notice. If fees are not paid, we reserve the right to hand over the debt to a debt collection agency who may also add on their own charges for collection.
