Food

Number 9 The Nursery is extremely proud to have been awarded Advanced Accreditation by the Early Years Alliance Nutrition Support Programme in recognition of our commitment to healthy eating. We have a fantastic onsite Chef, who creates a rotating seasonal menu alongside a nutritionist in our 5-star hygiene-rated kitchen, ensuring we meet all the dietary needs of growing children. You don't have to worry about whether your child is getting the nutrients they need – we've got you covered from morning to night! Everything is cooked fresh, from scratch, every day, and we pride ourselves on offering hot, restaurant-quality meals that are both nourishing and delicious. Mealtimes at Number 9 are not just about food – they are social, educational and joyful parts of the day where children learn table manners, explore new tastes, and develop healthy habits for life. Shared meals are also a great way to get children 'school ready'!

Consumables

We ensure a continuous supply of high-quality consumables for the children. Nappies, wipes and Sudocrem are provided for their personal care, along with children's paracetamol and SPF 50 sun cream when required.

Activities

We want to provide memorable learning experiences that go beyond the standard nursery curriculum! When you join Number 9, we help build motor skills, confidence and self-expression with our **BabyBallet** classes. Strengthen cognitive development and learn turn-taking in our **Music Lessons**. Support speech development and reduce behavioural frustration with our **Sing and Sign** classes. Build resilience and listening skills in our **Pro-Stars** sports sessions. Enhance cultural awareness and early language acquisition in our Number 9 **French Club**.

Throughout the year, children also enjoy experiential learning through **exciting visits** from animal farms – we've welcomed ponies, reptiles, owls, and even reindeer! We also spark their curiosity and sense of wonder through **special events** such as magic shows. **Visits and trips** give children hands-on experiences that bring learning to life and give them confidence navigating new environments. Whether it's going to Godstone Farm or attending a classical music concert in the local community, the contributions from our families ensure we can continue to provide these trips and give the children memories they'll talk about long after their nursery day ends.

Please email manager@number9thenursery.co.uk if you do not wish to add the Non-Mandatory Daily Charge to your invoice, and our team can support you with other options.
